

REMARKS

Claim Status

Claims 1-3, 5-9, 11-15, and 17 are pending in the present application. No additional claims fee is believed to be due.

Claims 1-10, 12, and 14-17 are cancelled without prejudice.

Claim 11 is amended to recite the mask of Claim 1 along with the elements of Claims 2-3, 5-7, 12, and 17. Claim 11 is amended to delete "treating" and insert "conditioning". Support for this amendment may be found on page 15, lines 19-21. Claim 11 is amended to recite the weight percentage of the water-soluble humectant. Support for this amendment may be found on page 11, lines 17-18. Claim 11 is amended to recite the weight percentage of the chronic whitening agent. Support for this amendment may be found on page 12, lines 5-6.

These changes do not involve any introduction of new matter. Consequently, entry of these changes is believed to be in order and is respectfully requested.

Interview Summary

A telephonic interview was conducted between Examiner Venkat and Applicant's representative on December 11, 2008. Examiner Venkat indicated that the application would be in condition for allowance if the above-mentioned amendments were made. Examiner Venkat requested a statement of common ownership between the present application and U.S. Patent Publication No. US2002/0155772, which is provided below.

Statement of Common Ownership

The present application and U.S. Patent Application Publication No. US2002/0155772 were, at the time the invention of the present application was made, owned by or subject to an obligation of assignment to The Procter & Gamble Company.

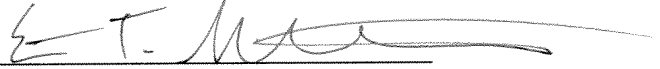

Appl. No. 10/622,518
Docket No. AA598M
Amdt. dated Dec. 11, 2008
Reply to Interview of Dec. 11, 2008
Customer No. 27752

CONCLUSION

In view of the foregoing amendments, reconsideration of this application and allowance of the pending claims are respectfully requested.

Respectfully submitted,

THE PROCTER & GAMBLE COMPANY
